

TRAVEL TRAILER CLUB OF THE MIDWEST

April, 2020

SINCE 1963

VOLUME 2020-01

Due to the Covid-19 restrictions, opening day, May 2 meeting and other dates are questionable. We will follow all CDC (Center for Disease Control), Federal and State mandated guidelines. Please note that opening is contingent to water samples being tested and approved. Please monitor the TTCM.org website for updates.
Board of Directors

Hi to you All, I Hope everyone is doing good! I pray no one has caught the Coronavirus! Just a reminder that the Campgrounds 🏕️ will be opening on May 1. We will be having our business meeting on May 2 at 10 o'clock. **Please note that due to the Covid-19 restrictions, opening day and May 2 meeting dates are questionable. We will follow all CDC, Federal and State mandated guidelines.** To all the chapter Presidents please attend this as we will be voting on some very important issues! One is the mower for Bellevue and the other is the water situation at Hesperia. There will be presentations on both of these issues so we can make a good decision. There are others that were moved to the business meeting.

This year will be elections for our board members and Campground Director. If you are interested have your resume turned into Jessica Hutchins! To let everyone know I'll be not seeking another term for President of TTCM.

Your President Gene Kowatch

Hello everyone, I hope the spring showers will bring warm weather and flowers. Hope you all survived the hard winter, I only snow-blown four times, a new personal record!! Almost time to grease those bearings and pivot joints, check the roof over, don't need any leaks, tire pressure too.

Hopefully everyone made it back home with no major setbacks.

Remember we all need to lend a helping hand when needed, the simplest thing can mean so much!

Don't forget its election year, if you're running for office get your paperwork in and good luck.

See you all soon and Go Camping

George Behler

Please note: As of 3/23/2020 the business that prints the newsletter is still open. If they are forced to close by the state of Michigan, the "snail mail" newsletter will be shut down. I will still issue the newsletter by email and there will be a copy posted on the website. Thank you all for your understanding and patience.

Cyndi Behler

Hi everyone,

I hope that everyone returned safely from the south and all our northern birds made it thru a very strange winter. Just wanted to remind those who want to run for an office to get your resumes to Jessica Hutchins either snail mail or email by May 15. Those who have not paid dues may do so at the campgrounds when they camp. Also for the Chapter Presidents I will need your Chapters Officers asap, so I can mail you the agenda for our May Officers meeting. May Officers Meeting is May 2 at 10:00 am. Everyone is welcome. If Chapter Presidents want me to place something on the agenda you can email me or even call me.

Stay safe & healthy,

Sandy Jarrell

Hello Fellow Campers!

During these crazy times, I hope this finds you and yours safe and healthy. The uncertainty of the virus and the way it is spreading is very scary. There is so much propaganda out there I don't know what to believe. However, I have high hopes that we will come together to conquer it.

Because of not knowing when all of the restrictions being imposed will be lifted, we are not going to send out the registration for the Pig Roast that normally takes place over Memorial weekend. When the bands are lifted, we will get the registration in the newsletter.

I for one certainly hope that things will get back to normal soon so we can enjoy the camping season to the fullest.

Don't forget that this is an election year. If you are interested in any position, reach out to someone that is currently on the board and ask about the jobs and their responsibilities.

Hope to see you soon!

Regards,

Cheryl Vogel

TTCM Treasurer

Hello from the South---

We hope everyone had a good and safe winter---I did.

Camping season is just around the corner and I am looking forward to seeing everyone again this year. I am not sure when Bill will be getting there.

My current plan is to be at the campground on April 26th and have Katz come out on the 27th and turn the water back on so I can get the samples as soon as possible and start getting the equipment up and running and get picnic tables out.

We can always use help during the summer cutting grass and weed whacking.

Herm & Bill

Hesperia Campground

The camping season will soon be upon us, the Hesperia campgrounds will open on May 1st.

Looking forward to a busy camping season.

I am making a change in the collection of camping fees. I (Clione) will be collecting the money and will set up times I will be available to collect. Will see how it works out.

There will be a campground planning meeting on Saturday June 6th at 10:30 A.M.

This meeting is for all the campground members, not just chapter presidents. If you have ideas of things you would like to improve the campgrounds bring them to this meeting or if you have ideas for special entertainment on certain days bring them also, the campgrounds is yours and we will see what we can do to make them happen.

We will be having our Memorial Day service on Saturday or Sunday this year, will see what the members decide. Monday morning is a bad day as too many are leaving to go home then.

If you have something you would like to do for the program, please come and see Clione, would like others to help out.

Looking forward to seeing everyone and Happy Camping!

Campgrounds Directors.
