VOLUME 2020-06

Rose Perry passed away July 31, 2020. Please keep the Perry family in your thoughts and prayers.

Hi everyone, it has really been a year to remember! I wish everything would get back to normal. Our Chapter was at Hesperia and the Campground was in excellent shape. Thanks Bob and Clione you have done a good job on keeping the campground wonderful! I have been dealing with breathing issues all summer. Hopefully, this will pass soon. I hope everyone is in good health and may God look over you and your Loved Ones. New Officers will be elected this month.

Your President,
Gene Kowatch

Well looks like summer is winding down. Fall is coming and I like the fall weather, warm days, cool nights, and no ac on.

I hope everyone voted and is happy with the outcome. Remember if you have an issue take it to a board member, they will help get an answer.

Both campgrounds will need help closing in October, please help and learn these duties, as it helps to have many hands, things get done quickly.

Big thank you to our Campground Directors Clione, Bob, Lefty, Herm and Bill, under the current issues at hand ,they still get the job done. Thank you all, and those who all step up and help throughout the camping season , it does not go unnoticed. Again Thank You all.

Hello Fellow Campers!

I can't believe it is already September. This has not been a typical summer at all. I miss the social gatherings we normally have. Hopefully next year we can resume those gatherings.

It was voted on at the June meeting to purchase a new zero-turn mover for Bellevue. I was able to pay for it from the general checking account and did not need to take any from our savings. Since then, Bill, Herm & Dick have donated a rake to use with the mower to keeps the roads in shape. Thanks guys!!

I hope you are all staying safe & healthy. Hope to see you at the General Meeting on Labor Day in Hesperia.

Regards,

Cheryl Vogel

TTCM Treasurer

BELLEVUE NEWS

Hello from Bellevue:

Things are going pretty well -- the camping is down but that is to be expected.

The new lawnmower sure makes cutting grass a lot better---it still takes a while, but it is faster.

Bill, Dick and I bought a three-point hitch rake for the big tractor for grading the roads and the trails.

We have signed up four or five new members already this year.

That's all from Bellevue for this newsletter.

Herm & Bill

HESPERIA NEWS

It is getting closer to the end of the season, the weather at times feels like fall.

WE have been having good turn outs for camping, regardless of what is going on with the rest of things.

We are planning on a wood cutting bee on October 3rd 9:00 AM. If raining it will be on October 10th 9:00 AM. If you have a chain saw please bring it, we will need people to load it on the wagon, workers on the splitter and stackers. If you burn wood come and help get it in. There will be a lunch for the wood workers at noon.

October 3rd we will be having a few things for the children to do in the afternoon for Halloween. Bring a T-shirt for your children to paint on. And we will also have trick or treating about 7:00 PM. If the children have a face mask to wear they can go on a wagon ride. Everything we do will have to be done outside, so dress for the weather.

The Directors,
Clione, Bob and Lefty
