President News

Fellow Campers,

I hope everyone is having a good Spring so far. My wife and I were able to be at the memorial for Lefty this past weekend. He will definitely be missed.

Campgrounds should already be open by the time you are reading this. I know many members are eager to have the clubhouses opened and to get back to camping. I have every intention of having clubhouses opened at both campgrounds this season. I have been doing my due diligence in researching what the CDC recommendations are and working with local area health departments to devise a reasonable plan for how that would work. The health and safety of every one of you is one of my top priorities and given the latest guidelines and information available I don't see any reason why we cannot. This year, like last year, will look different and will have its own set of challenges, but I know if we all work together with mutual respect and understanding we can have another great year! More details on this subject will be covered at the May meeting.

On that note just a reminder the May meeting will be May 15th in Hesperia to give the directors more time to get everything opened as both campgrounds have a lot going on. While we were in Hesperia last weekend we noticed that the driveway looked pretty nice and I trust that will really help those coming and going up there.

Treasurer News

Hello Fellow Campers! When you get this newsletter, the campgrounds will be open! Yay

I was very sad to hear of Lefty's passing. He will be greatly missed. Prayers to the family and all that knew him.

I will be out of commission for a few weeks. I am having shoulder surgery. I plan to attend the General Meeting on the 15th if all goes well. In any case, I will make sure the Treasurers reports are available for the Chapter Presidents and the Board.

Hopefully we can get back to having rallies and get-togethers. I am sure we will be following the guidelines set by the state.

Hope to see you soon!

Regards,

Cheryl Vogel

Secretary News

Hello Fellow Campers,

Hope all is well. It sure has warmed up and cooled down here in Michigan -- that lovely time of year. It's turning so green and we are chomping at the bit to "Go Camping"! I was so sorry about losing a great friend, Lefty! He did so much for Hesperia. His love for the great outdoors, camping and fishing. His wanting to share his fishing catches with the rest of us. Oh the wonderful fish fries that he gave us. Lefty was always there to lend a hand if someone needed help.

For Chapter President and Executive Board Members, the Board of Directors Meeting is May 15. If a Chapter President cannot attend someone else can stand in your place with a signed paper stating so.

Campgrounds will be opening May 1 unless otherwise stated on our website & Facebook page. You may also call the campground if you intend to camp May 1st. For those who have not paid your dues, you may pay them at the campgrounds! Remember they are late so \$30 + \$10 for reinstatement fee.

Hope to see you at the campground soon.
