Presidents Letter-

Season's Greetings to each of you from sunny south Alabama. It sure has been nice to see the sun each day and the only white I have seen so far is a cotton field that is waiting to be picked.

I am happy to inform each of you that the transition to the new officers has gone smoothly. Each of the new officers are looking forward to getting into their new position. However, each of them will need your help. You voted that you wanted a change and got it. Now our new officers will need all of your help and support more than ever. During this time of transition we must not lose sight of that we must continue to follow our by-laws. We must do more to make the younger family with children feel welcome. They are the future of our organization.

For anyone who plans ahead I would like to make a suggestion for fun trip next year. After the All American Rally (That the Double Dozen did such a GREAT job on) I left for the U. P. with friends. We came across the 4th Annual Antique Tractor crossing of the Mackinaw Bridge. There were over 800 old tractors that paraded through Mackinaw City, and then crossed the Big Mac Bridge. When they reached St. Ignace and they paraded through town and ended with a tractor show in the casino parking lot. Then that evening the city of St. Ignace held a show of custom highway trucks and held a night parade and crossed the Bridge to Mackinac going south. After a parade through Mackinaw City they all headed back to work, it was a fun day for all and I plan to be there next year

In closing I would like to thank each of you for all of your help and support over the past three years. We did not get everything implemented that we had planned, but we made progress. As we approach our 50th birthday, there are already plans for a huge party at our Bellevue Campground. If you have anything from TTCM's past, would you please let Missy Murray know. She is the host of the 2013 Rally.

On behalf of all of the past officers we say THANK YOU, AND wish the new officers the best of everything.

Mal's-

Today was the first dusting of snow, ground is too warm for it to stay, but it's that time of the year. My name is Inez Cummings, and I'm your (MAL's) elected President.

Now that the campground is closed, we all can go our own way be that either staying home or going south or west. Right now it seems like opening weekend is a long way away, but time goes fast. It will be spring before we know it. We all have said "Where did summer go?" Spring will be here before we know it.

The MAL's will be having our first meeting at the Pig Roast Memorial Weekend May 26-28, 2012 at the Bellevue Campground.

My thoughts and prayers are with everyone of you this winter. Merry Christmas and a Happy New Year to Everyone. See you in the Spring.

Inez Cummings
MAL President

John served as the Campground Director of our Bellevue Campground for six years. John enjoyed working and living at the campground it was one of his greatest passions.

The family has asked that if you want to make a donation in the name of John that you send to Great Lake Hospice.
